For Immediate Release:

Plano Children's Medical Clinic Continues to Meet Community Need, Announcing New Provider, Tara Williams, Pediatric Nurse Practitioner

Plano, TX - June 30, 2015- The need for quality medical care for children in Plano who have Medicaid, CHIP or no health insurance at all is significant. Plano Children's Medical Clinic is proud to welcome Tara Williams, Pediatric Nurse Practitioner to help meet this need. Plano Children's Medical Clinic is a unique practice in that we not only provide for the medical needs of children, but for their overall wellbeing.

Plano Children's Medical Clinic features a More than Medicine Room that is stocked with donations from the Plano community, featuring diaper bags for new mom's, new clothing for infants, over-the-counter medicine, diapers and much more to help families provide the best care that they can for their children. Please see attached photo for a visual.

Mrs. Williams has 14 years of pediatric experience and is passionate about health education. Her past experience includes private practice, Cook Children's Emergency Room and Pediatric Urgent Care. Her patients report the following, "She takes the time to listen to concerns and treats children as if they were her own, regardless of their background." When treating patients, Mrs. Williams finds that she makes the following statements over and over again,

1. Brush your teeth
2. Be Active
3. Do your best
4. Eat your veggies

Mrs. Williams believes, "All children deserve exceptional health care." At Plano Children's Medical Clinic, they will be treated with the utmost respect and families will receive excellent health care.

"I enjoy learning, in healthcare we must always be educating ourselves," says Tara Williams on staying up to date on the latest research in pediatric care.

Tara Williams, Pediatric Nurse Practitioner is a long time McKinney resident with two young children of her own. Mrs. Williams is looking forward to serving the Plano and surrounding communities and providing medical care to children.

Will you join us in welcoming Tara Williams to Plano Children's Medical Clinic by sharing this information with the Plano community? Our vision is a Healthy Community and that vision starts with taking care of the youngest among us. Quality Medical Care and Health Education are critical to creating a thriving community.

Please see attached photos and PCMC Rack Card. For more information or to take a tour of our Plano Children's Medical Clinic, please contact Teri Johnson at tjohnson@plano-cmc.org or 940-765-2176.
